

BALANCING SURVEY

This survey is designed to assess your current states of balance. So, please be very nervous and lie as much as you think you can get away with to convince yourself you have it all together.

1. List three things you like to do by **yourself**.

2. List three things you enjoy doing with **others**.

3. What are some of your career goals?

4. What are some of your recreational goals? (Things you want to do in your life, just for fun!)

5. Who do you have the most fun with? _____

What are some of this person's characteristics and behaviors?

6. Out of a 16-hour work day? (estimate as best you can - some overlap is okay)

- How much time a day you spend alone? _____
- How much time do you spend with your family? _____
- How much time do you spend working? _____
- How much time do you spend daydreaming? _____
- How much time do you spend playing? _____

7. On average, what percentage (%) of your weekend is scheduled by **Friday**? _____

8. If weekends were three days long, what would you do on the third day?

9. Where did you go on your last vacation? _____

- How long ago was it? _____
- How long did you go? _____

10. Name your top five stressors.

11. What symptoms do you notice in your body that indicates you are stressed?

12. When you are stressed, what do you do to relax?
